

SUNSHINE AND LOUIS ARE LOOKING FOR A NEW FOREVER HOME

This beautiful pair of Aussies pictured here with their summer haircuts need to find a new home because their family just feels they don't have the quality time to give them that all Aussies need. They are exceptionally nice dogs, very sweet and typically Aussie. Sunshine is a red merle spayed female and Louis a neutered male blue merle. They are active, happy and up to date on all their shots and veterinary exams. They are four years old.

It would be great if they were to be adopted together, but going to separate homes would be OK too.

If you are interested or know someone who is please contact Eva Vichules at University Animal Hospital at 480-968-9275.
